Warden's Letter

Northumberland County Council sets direction based on the important priorities and goals outlined in the 2019-2023 Strategic Plan. The path forward for fostering a strong and vibrant Northumberland is marked by the pillars of Economic Prosperity and Innovation, Sustainable Infrastructure, Thriving & Inclusive Community, and Leadership in Change.

2019 was this Council's first full year in office. Over the course of this year, we worked together to tackle many challenges and cultivate new opportunities for our community in line with this Plan.

- With a critical need for affordable housing in our community, as in communities across Ontario, the County was pleased to release an Affordable Housing Strategy in

2019, designed to help stimulate the development of public, private and non-profit rental housing. And, demonstrating a commitment to concrete actions, we announced plans for the redevelopment of community housing on Elgin Street East, and the purchase of land on Ontario Street, in Cobourg to increase the number of subsidized and market rental housing units in Northumberland.

- We made significant progress on major infrastructure initiatives. We retained an architect to commence detailed design of the new Campbellford Bridge; we came one step closer to construction of the new Golden Plough Lodge and Northumberland County Archives & Museum with the completion of a detailed design; and we welcomed the community to the grand opening of a new EarlyON and Child Care Centre in Grafton.
- Beyond infrastructure work, the County continued to focus on developing and diversifying our workforce and fostering entrepreneurship. 800 businesses received support through the Business & Entrepreneurship Centre in 2019, resulting in 54 new business start-ups and the creation of 133 jobs for our community. With funding from

the federal government, we announced a partnership with the Ontario East Economic Development Commission, along with local community partners, to support 225 women entrepreneurs in Eastern Ontario—45 of whom will be based in Northumberland—to start and grow their own business. And we also announced dedicated Settlement Services—thanks to three-year federal funding—to support new Canadian attraction and retention.

- We also continued to explore opportunities in 2019 to improve service delivery and achieve savings for taxpayers through innovative shared service models. The County's Information Technology Department now provides IT support services for three of our member municipalities along with two local police services. In addition, our Transportation division surface-treated 143 kilometers of roadway across Northumberland in 2019, with 135 of these kilometers completed for member municipalities. It is estimated that, by working together on this joint surface-treatment program, we collectively achieved savings of nearly \$700,000 – or nearly \$5000 per kilometer.

Respectful of our long-standing relationship with the traditional keepers of this land, Northumberland County Council was honoured to continue learning about the history of Alderville First Nation and the Mississauga Anishinabeg through a joint meeting of our two councils in the fall of 2019. County Council looks forward to exploring new ways of working with our Alderville neighbours going forward, and further strengthening our partnership.

Council, staff and community partners worked together to push the envelope and deliver outcomes for our residents and businesses in 2019. I believe that this spirit of collaboration, determination and drive for results was a bellwether for our response to the emergence of COVID-19 in our community in early 2020.

From the outset, our focus has been on continuing to provide essential services for our residents while ensuring we have measures in place to protect staff and support community action against the spread of COVID-19 in Northumberland. Our Emergency Control Group—comprised of our CAO, Community Emergency Management Coordinator and the Directors of the organization—has demonstrated enormous leadership in steering the organization through this crisis. And I want to recognize our staff for overcoming significant challenges and persevering to sustain our operations.

Because of our community's hard work to date, the number of COVID-19 cases locally remains low. I urge everyone to stay the course with the strategies that have helped us to achieve these results: practice good hand hygiene, maintain physical distancing where possible, and—where this is not possible—please wear a non-medical face mask to minimize the spread of infection.

Going forward, County Council is mindful of the need to balance effective municipal operations with the pressures facing local ratepayers. As we turn our attention towards recovery and renewal efforts, we will be guided by our Strategic Plan priorities and the County Core Values.

CAO's Letter

I am pleased to share Northumberland County's 2019 Annual Report, which highlights the capital investments and the key initiatives that are helping to shape a thriving community.

Throughout 2019 we made significant strides in achieving objectives outlined in the County's 2019-2023 Strategic Plan. We continued to reinforce a philosophy of continuous improvement in our operations through the increasing integration of 'Lean' practices, eliminating waste from processes to increase value for taxpayers. Several project teams across the organization got started on assessing and streamlining processes related to service agreements, accounts payable, joint tenders, and fleet management, among others, and we have adopted new tools to track these

projects so we can report on the impacts they deliver in 2020 and beyond.

Recognizing that partnerships are essential for delivering the services our residents need and expect, we were proud to be part of several significant collaborations that have generated results for the community. Following several months of planning and collaboration amongst local health and social care partners to form an Ontario Health Team of Northumberland (OHT-N), on December 6, 2019 Deputy Premier and Minister of Health Christine Elliott confirmed the OHT-N as one of the first 24 OHTs in the Province. We also broke ground on a new joint fire/paramedic base in Campbellford in collaboration with the Municipality of Trent Hills, and we welcomed the community to the grand opening of a similar base in Roseneath—a partnership with the Township of Alnwick/Haldimand.

Responding to continuous rapid advancements in technology, Northumberland County launched a Digital Strategy in 2019. This strategy sets out a roadmap for digital modernization activities that will best meet the evolving needs and expectations of the community. This includes development of a Broadband Strategic Plan for tackling gaps in internet service in our community, with an RFP awarded in July 2020

to begin this work. In this same vein, we also continued to support the efforts of the Eastern Ontario Regional Network (EORN) to expand the reach and quality of cellular data services in Eastern Ontario, supporting future business investment, jobs and quality of life.

As we acknowledge and celebrate these advancements over the last year, reflection also prompts me to consider how quickly things can change. The declaration of a global pandemic in March 2020 represented an unprecedented moment for our organization and our community that required an immediate refocus of current priorities. In coordination with our member municipalities and community partners, we took steps to prioritize the health and safety of staff and residents by implementing response measures across our operations.

There was a need for Northumberland County to act swiftly in the early days of COVID-19, even as we were still learning about the implications of this virus. Our Community & Social Services team coordinated with community partners to set up — within 48 hours — a temporary shelter at Cobourg Collegiate Institute for individuals experiencing homelessness. Northumberland Paramedics joined forces with Northumberland Hills Hospital and the Trent Hills Family Health Team to

expand COVID-19 testing out in the community. Our Legislative Services team incorporated changes from new legislation into Council procedures and launched our first-ever virtual County Council meetings. And our Economic Development Team supported the mandate of the industry-led Northumberland Economic Recovery Task Force in developing measures to help local businesses rebuild.

This is but a small snapshot of a much larger effort that has been underway to support our community throughout this exceptional period. I want to express my sincere appreciation to our staff who, despite facing enormous personal and professional pressures as this unique situation has unfolded, have risen to this challenge and demonstrated tremendous adaptability, resilience and teamwork in the service of our community. This journey will not be a sprint, but rather a marathon. As this virus continues to circulate, we will continue to balance the provision of services on which our residents rely with the implementation of precautions to preserve resident and staff health and well-being.

Creating possibilities for our community will remain a primary motivation for us in 2020 and beyond, as we strive to innovate and strengthen the municipal services we provide to the residents of Northumberland County.

Treasurer's Letter

It is a pleasure to present this Annual Report for the fiscal year ending December 31, 2019. This report details how Northumberland County Council and staff have invested taxpayer dollars to manage the infrastructure and deliver the services that contribute to quality of life in our community.

In 2019, Northumberland County Council approved a budget of \$123 million, including \$17.5 million for capital investments, \$98.7 million for core services and \$6.8 million for reserves towards the future financing of identified strategic initiatives and infrastructure needs. The largest proportion of capital spending was an investment of \$10.4 million in construction and maintenance of our road and bridge network, with smaller amounts dedicated to Waste

Services for an organic waste transfer station and the continuation of an Environmental Assessment addressing alternatives for the future management of residual waste, and major projects such as architectural and design work for the redevelopment of the Golden Plough Lodge and Northumberland County Archives and Museum, and construction of an emergency services base in Campbellford.

All of this amounted to a 2.3 per cent tax levy—less than the 2.5 per cent target originally set by Council.

When looking at key indicators of our financial performance, we see that the overall Net Financial Assets decreased slightly over 2018. Although there was continued improvement in Financial Assets as evidenced by increased financial liquidity, an increase to the estimated liability for future landfill closure and post closure costs has negated this along with the acquisition of new debt as was anticipated for the Brighton Landfill expansion and the new Roseneath Emergency Services Base. However, growth of Net Financial Assets has been fairly consistent over the past nine years, thus eliminating a net liability position from 2010. 2019 also logged a continued positive trend of increased Accumulated Surplus, strengthening the stability of County reserves, the management of debt, expansion of capital assets and

building financial capacity to address future needs.

The net change in reserves from 2018 was an increase of \$5.8 million. Annual reserve contributions aligned with long-term financial strategies occurred during the year, as did contributions for financing carry-over projects for continuation of works in future years. Reserves provide a critical resource for financing future project and infrastructure needs while minimizing levy fluctuations and future years' debt servicing costs.

For 2019, there is unfinanced capital of \$1.1 million as represented in the Accumulated Surplus for the ongoing construction of the Trent Hills Emergency Services Base. This will be funded from a debenture upon completion of the project, as contemplated in the long-term financial model.

Northumberland County has a rigorous annual budgeting and planning process, which includes updates to a rolling 10-year financial plan. Aligning our budgeting and long-range planning processes helps in establishing strategic priorities that achieve progress for the community while respecting the ever-present pressures on our ratepayers.

Delivering an Annual Report is an important component of Northumberland County's financial management process, enhancing public confidence and trust in local government by demonstrating transparency and accountability. The results captured in this year's report once again reflect the County's strategy for efficient, cost-effective delivery of programs and services based on careful long-term planning and strong governance.

My sincere thanks to the skilled and accomplished members of the Finance Team for their commitment to excellence in financial management and reporting. And on behalf of the Finance Team, we thank our internal partners and members of Council for their close collaboration on the long-range planning that ultimately positions our organization to meet the needs of the community and sustain strong financial health well into the future.

Financial Overview

Financial Management

County business planning

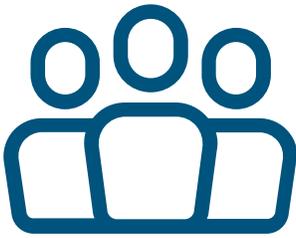

The County goes through a rigorous budgeting and planning process each year. Each operating department develops an annual business plan that is aligned with the County's Corporate Strategic Plan. This process looks at programs and services, budgets and key priorities for the year. In addition to the annual budget, the long term plan is reviewed and updated to create a rolling 10-year financial outlook.

Financial statement preparation

Northumberland County management is responsible for all information contained in the Annual Financial Report. These financial statements and accompanying notes have been prepared using reasonable limits of materiality and within the framework of the accounting principles and disclosure requirements of the Canadian Institute of Chartered Accountants guidelines included in the Public Sector Accounting and Auditing Standards Manual.

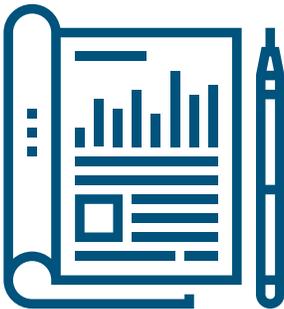

Internal control management

Management maintains appropriate systems of internal and administrative controls designed to provide reasonable assurance that transactions are executed with proper authorization, that assets are properly accounted for and safeguarded, and that the financial information produced is relevant, reliable and timely.

External audit

The role of the external auditor, Baker Tilly KDN LLP, is to express an independent opinion on the fair presentation of the County's financial position and operating results as contained in the Financial Statements, confirming that the statements are free from material misstatements. It is the responsibility of the auditor to advise management and the Finance Department Coordinators of any control or operational issues that may be identified during the execution of their audit procedures.

Financial reporting

To ensure accountability and transparency, the Finance Director and Treasurer presents quarterly updates to Council on the status of County finances relative to the current budget. County auditors, together with the Finance Director/Treasurer, present to Council the final annual Audited Financial Statement for the County, for Council approval, closing out the previous fiscal year.

CORPORATION OF THE COUNTY OF NORTHUMBERLAND

For The Year Ended December 31, 2019

MANAGEMENT REPORT

The accompanying consolidated financial statements of the Corporation of the County of Northumberland are the responsibility of management and have been approved by Council.

The consolidated financial statements have been prepared by management in accordance with Canadian Public Sector Accounting Standards. Financial statements are not precise since they include certain amounts based on estimates and judgements. When alternative accounting methods exist, management has chosen those it deems most appropriate in the circumstances, in order to ensure that the financial statements are presented fairly, in all material respects.

The County maintains systems of internal accounting and administrative controls of high quality, consistent with reasonable cost. Such systems are designed to provide reasonable assurance that the financial information is relevant, reliable and accurate and the County's assets are appropriately accounted for and adequately safeguarded.

The County's Council is responsible for ensuring that management fulfills its responsibilities for financial reporting and is ultimately responsible for reviewing and approving financial statements.

Council reviews and approves the County's financial statements for issuance to the members of Council, inhabitants and ratepayers of the Corporation of the County of Northumberland. Council meets periodically with management, as well as the external auditor, to discuss internal controls over the financial reporting process, auditing matters and financial reporting issues, to satisfy themselves that each party is properly discharging their responsibilities and to review the financial statements and the independent auditor's report.

The consolidated financial statements have been audited by Baker Tilly KDN LLP in accordance with Canadian generally accepted auditing standards on behalf of the County. Baker Tilly KDN LLP has full and free access to Council.

INDEPENDENT AUDITOR'S REPORT

To the Members of Council, Inhabitants and Ratepayers of the Corporation of the County of Northumberland

Opinion

We have audited the consolidated financial statements of the Corporation of the County of Northumberland and its subsidiary (the County), which comprise the consolidated statement of financial position as at December 31, 2019, the consolidated statements of operations and accumulated surplus, change in net financial assets and cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the County as at December 31, 2019, and the results of its consolidated operations and its consolidated cash flows for the year then ended in accordance with Canadian Public Sector Accounting Standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the County in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with Canadian Public Sector Accounting Standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the County's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the County or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the County's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the County's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the County to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the consolidated financial information of the entities or business activities within the County to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
For the Year Ended December 31, 2019**

The County of Northumberland is an upper tier municipality in the Province of Ontario, Canada. It conducts its operations guided by the provisions of provincial statutes such as the Municipal Act, Municipal Affairs Act and related legislation.

1. SIGNIFICANT ACCOUNTING POLICIES

These consolidated financial statements have been prepared in accordance with the standards in the Chartered Professional Accountants Canada Public Sector Accounting (PSA) Handbook. Significant aspects of the accounting policies are as follows:

(a) Reporting Entity

These consolidated financial statements reflect the assets, liabilities, revenues and expenses and accumulated surplus of the reporting entity.

The reporting entity is comprised of all organizations, committees and local boards accountable for the administration of their financial affairs and resources to the County and which are owned and controlled by the County. These consolidated financial statements include:

- Northumberland County Housing Corporation

All interfund assets and liabilities and revenues and expenses are eliminated.

(b) Tangible Capital Assets

Tangible capital assets are recorded at cost which includes all amounts that are directly attributable to acquisition, construction, development or betterment of the asset. The cost, less residual value, if any, of tangible capital assets is amortized on a straight-line basis, commencing in the year of acquisition except for road surface betterments where amortization commences in the year following construction, over the expected useful life of the asset, as follows:

Land improvements	10 years
Buildings	50 years
Roads and bridges	20 to 75 years
Equipment and computers	5 to 20 years
Vehicles	5 to 10 years

Tangible capital assets received as contributions are recorded at their fair value at the date of receipt and are also recorded as revenue.

Tangible capital assets categorized as assets under construction are not amortized until they are put into service.

(c) Non-financial Assets

Tangible capital and other non-financial assets are accounted for as assets by the County because they can be used to provide services in future periods. These assets do not normally provide resources to discharge the liabilities of the County unless they are sold.

(d) Reserves and Reserve Funds

Certain amounts, as approved by Council, are set aside in reserves and reserve funds for future operating and capital purposes. Transfers to and/or from reserves and reserve funds are an adjustment to the respective fund when approved.

1. SIGNIFICANT ACCOUNTING POLICIES, continued

(e) Recognition of Revenues and Expenses

Revenues and expenses are reported on the accrual basis of accounting. The accrual basis of accounting recognizes revenues in the period in which the transactions or events occurred that give rise to the revenue; expenses are recognized in the period the goods or services are acquired and a legal liability is incurred or transfers are due.

Taxation

The County establishes the tax rates annually based on the amount required to be raised. These tax rates are used to levy amounts to the lower tier municipalities are based on their annual assessment. Adjustments to the lower tier levy amounts for additions to and reductions in assessment are reported in the consolidated financial statements when amounts can be reasonably determined.

Government funding and other grants

Government funding and other grants are recognized in the financial statements as revenues in the period in which events giving rise to the transfers occur, providing the transfers are authorized, any eligibility criteria have been met, and reasonable estimates of the amounts can be made.

Other revenue

Fines levied under the Provincial Offenses Act 1997 are recognized when the funds are received. (see note 11).

User charges and rents are recognized as revenue in the year the goods and services are provided, with the exception of permits that are recognized when the permits are issued.

Investment income is recorded when earned.

Federal gas tax is recognized in the period in which the related expenditures are recorded.

(f) Use of Estimates

Certain items recognized in the consolidated financial statements are subject to measurement uncertainty. The recognized amounts of such items are based on the County's best information and judgment. By their nature, these estimates are subject to measurement uncertainty and the effect on the consolidated financial statements or changes in such estimates in future periods could be significant. The County's significant estimates include:

- The amounts recorded for landfill closure and post-closure care depend on estimates of usage, remaining life and capacity. The provision for future closure and post-closure costs also depends on estimates of such costs;
 - The amounts recorded for amortization and opening costs of tangible capital assets are based on estimates of useful life, residual values and valuation rates;
 - The values of employee future benefits depend on certain actuarial and economic assumptions; and
 - The amount recorded as allowance for doubtful accounts receivable is based on management's estimate of future payments on receivable account balances.
-

**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
For the Year Ended December 31, 2019**

1. SIGNIFICANT ACCOUNTING POLICIES, continued

(g) Trust Funds

Trust funds and their related operations administered by the County are not included in these consolidated financial statements but are reported on separately on the Trust Funds Statement of Continuity and Statement of Financial Position.

2. TRUST FUNDS

Trust funds administered by the County amounting to \$151,896 (2018 - \$143,602) have not been included in the Consolidated Statement of Financial Position nor have their operations been included in the Consolidated Statement of Operations and Accumulated Surplus. As such balances are held in trust by the County for the benefit of others, they are not presented as part of the County's financial position or operations.

3. CREDIT FACILITY AGREEMENT

The County has a revolving credit facility agreement with its main financial institution. The amount available at any time is limited to \$10,000,000 via an operating loan. Any balance borrowed will accrue interest at the bank's prime lending rate less 0.85% per annum. Council authorized the temporary borrowing limit by by-law 2019-03. At December 31, 2019 there was no balance outstanding (2018 - \$Nil).

5. DEFERRED REVENUE - OBLIGATORY RESERVE FUNDS

A requirement of the Chartered Professional Accountants Canada Public Sector Accounting Handbook, is that obligatory reserve funds be reported as deferred revenue. This requirement is in place as legislation and external agreements restrict how these funds may be used and under certain circumstances these funds may possibly be refunded. The balance in the obligatory reserve funds of the County is summarized below:

	2019	2018
	\$	\$
Federal gas tax	2,626,984	-

The continuity of deferred revenue - obligatory reserve funds is as follows:

	2019	2018

6. LONG TERM DEBT, continued

(b) The long term debt in (a) issued in the name of the County have been approved by by-law. The annual principal and interest payments required to service these liabilities are within the annual debt repayment limit prescribed by the Ministry of Municipal Affairs and Housing.

(c) Interest paid during the year on long term debt amounted to \$264,872 (2018 - \$288,047).

(d) The long term debt reported in (a) of this note is repayable as follows:

	Principal \$	Interest \$	Total \$
2020	1,272,067	286,990	1,559,057
2021	1,228,791	254,171	1,482,962

	11,943,502	2,021,858	13,965,360

7. LANDFILL CLOSURE AND POST-CLOSURE LIABILITY

The estimated liability for landfill closure and post-closure costs for the County's one operational site and the eight closed sites that the County has obtained from the lower tier municipalities by way of a settlement process (see Note 16) is \$28,134,648 (2018 - \$21,255,900). The closure costs include final cover, vegetation and additional monitoring wells. Post-closure costs include monitoring, maintenance of control systems and consulting fees for 25 years after the site is closed. The landfill closure and post-closure liability will be funded from taxation. There are no specific assets designated for settling this liability.

The reported liability is based upon estimates and assumptions with respect to events extending over the remaining life of the landfill. The total discounted future cash flows for closure and post-closure cost is estimated at \$32,907,859 as at December 31, 2019 (2018 - \$25,592,387) using a discount factor of 3% and an inflation rate of 2%.

The remaining capacity of the one operational landfill site is estimated at 409,116 m³ (2018 - 444,997 m³) which is 32.5% (2018 - 48.7%) of the site's total capacity. The total capacity of the site was revised in 2019 which resulted in 12.2% of the 16.2% decrease in the remaining capacity and resulted in an increase in the liability of \$1,805,762. The County estimates the site will continue to operate until 2030.

For the Year Ended December 31, 2019**

8. EMPLOYEE FUTURE BENEFITS LIABILITY

Under the Workplace Safety and Insurance Board (WSIB), the County is self-insured (Schedule II) and remits payments to the WSIB as required to fund disability payments. The liability recorded of \$2,243,207 (2018 - \$2,033,761) has been determined by an actuarial review completed as of December 31, 2017. This liability is fully funded by a reserve set aside for this purpose and reported as part of the employee health, safety and related costs reserve as reported in the Accumulated Surplus note.

The liability is comprised of the following amounts:

	2019	2018
	\$	\$
Accrued benefit obligation	2,519,574	2,330,513
Unamortized actuarial gains/(losses)	(276,367)	(296,752)
	<u>2,243,207</u>	<u>2,033,761</u>

The actuarial report for the WSIB liability was based on the following assumptions:

Interest discount rate	3.75%
WSIB administration and physician fees	38% of benefit costs
Expected level of employee cost increases	1.01%
Expected average remaining service life	9.96 years

The continuity of the WSIB liability is as follows:

	2019	2018
	\$	\$
Accrued benefit obligation at January 1	2,330,513	2,136,132
Unamortized actuarial losses	(296,752)	(317,137)
Liability at January 1	2,033,761	1,818,995
Increase due to plan amendment	-	16,959
Current year benefit cost	392,386	380,739
Interest	89,265	82,521
Amortization of actuarial loss/(gain) (amortized over the expected average remaining service life)	20,385	20,385
Less: benefit payments	(292,590)	(285,838)
Liability at December 31	<u>2,243,207</u>	<u>2,033,761</u>

11. PROVINCIAL OFFENCES OFFICES

As a result of the provincial-municipal restructuring under Bill 108, streamlining of administration of Provincial Offences Act (“POA”) 1997, the County has assumed responsibility and administration of the POA office and courts.

Revenues from the POA office consists of fines levied under Part I and III (including delay penalties) for POA charges filed at 860 William Street in Cobourg. Offenders may pay their fines at any court office in Ontario, at which time, their receipt is recorded in the Integrated Courts Operations Network system (“ICON”) operated by the Province of Ontario. The County of Northumberland recognizes fine revenue when the receipt of funds is recorded by ICON and matched to the offence notice, regardless of the location where payment is made.

Revenues and expenses related to these operations have been reported as follows:

	2019	2018
	\$	\$
Gross revenues	1,550,320	1,410,326
Operating costs and allocated charges	(1,144,731)	(1,148,567)
Net County revenue used to reduce tax levy	405,589	261,759

12. EXPENSES BY OBJECT

The expenses for the year reported on the Consolidated Statement of Operations and Accumulated Surplus by object are as follows:

	Budget 2019 \$ (Unaudited)	Actual 2019 \$	Actual 2018 \$
Salaries and benefits	42,824,895	41,920,300	40,637,163

13. BUDGET FIGURES

The budget, approved by the County, for 2019 is reflected on the Consolidated Statement of Operations and Accumulated Surplus and the Consolidated Statement of Change in Net Financial Assets. The budget established for capital investment in tangible capital assets are on a project-oriented basis, the costs of which may be carried out over one or more years and, therefore, may not be comparable with current year's actual amounts. Budget figures have been reclassified for the purposes of these financial statements to comply with PSA reporting requirements. Budget figures are not subject to audit.

The following is a reconciliation of the Council approved budget amounts to the PSA amounts:

	(Unaudited) Revenue \$	(Unaudited) Expenses \$
Council approved budget:		
Operating and capital	123,031,787	123,031,787

Less: Change in unfunded liabilities	-	800,000
Revenues and expenses netted for financial reporting	(175,000)	(175,000)
Adjusted budget per Consolidated Statement of Operations	112,889,282	107,727,989

14. PENSION AGREEMENTS

Certain employees of the County are eligible members of the Ontario Municipal Employees Retirement System (OMERS), a multi-employer pension plan.

The Actuarial Opinion contained in the 2019 Annual Report disclosed total actuarial liabilities of \$107,687 million in respect of benefits accrued for service with actuarial assets of \$104,290 million indicating an actuarial deficit of \$3,397 million. Because OMERS is a multi-employer plan, any pension plan surpluses or deficits are a joint responsibility of Ontario municipal organizations and their employees. As a result, the County does not recognize any share of the OMERS pension surplus or deficit.

The County's required contributions to OMERS in 2019 were \$2,746,069 (2018 - \$2,511,492).

15. CONTINGENT LIABILITIES

The County, in the course of its operations, has been named in several lawsuits the outcomes of which are indeterminable at this time. No amounts in connection with these items have been reflected in these financial statements.

16. COMMITMENTS

The County assumed the assets and liabilities of the waste management systems of the lower tier municipalities on January 1, 1991 according to by-law 24-90. This by-law was passed pursuant to subsection 209(a) of the Municipal Act of the Province of Ontario which required the County to pay or to receive from the lower tier municipalities' compensation based upon the discounted future cash flows of the landfill site. The County is involved with ongoing negotiations with respect to the settlements for further sites.

During 2015, the County entered into a multi-year agreement with Peterborough Fire Services for fire dispatch services. The annual costs under the agreement, which goes until the end of 2020, were approximately \$377,000 in the first year with annual increases as per the agreement. The total costs for 2019 were \$413,140.

During 2019, the County entered into a multi-year agreement for the collection of garbage. The annual costs under the agreement, which goes until November 30, 2027, are approximately \$1,550,000.

17. SEGMENTED INFORMATION

The County of Northumberland is a municipal government organization that provides a range of services to its residents. County services are reported by function and their activities are separately disclosed in the segmented information.

For each reported segment, revenues and expenses represent both amounts that are directly attributable to the segment and amounts that are allocated to the segment. Certain allocation methodologies are employed in the preparation of segmented financial information. Taxation levied to lower tiers is allocated based on each segment's net requirements. Internal transfers include the following: 1) Actual wages and benefits expenses for governance, corporate management and information technologies that are allocated based on the segment's proportionate share as determined by head count, revenue and number of computers; and 2) Actual occupancy costs that are allocated based on the segment's proportionate share of the square footage of the County buildings.

The accounting policies used in these segments are consistent with those followed in the preparation of the consolidated financial statements as disclosed in Note 1. For additional information see the Consolidated Schedule of Segment Disclosure.

General Government

General government consists of the activities of Council and general financial and administrative management of the County and its programs and services including contributions to the Municipal Property Assessment Corporation.

Protection Services

Protection services includes emergency measures, plumbing and septic inspections and Provincial Offences Act charges.

Transportation Services

The activities of the transportation function includes maintenance and winter control of the County's roads and bridges.

17. SEGMENTED INFORMATION, continued

Environmental Services

The environmental function is responsible for providing waste collection, waste disposal and recycling services to ratepayers.

Health Services

The health services function consists of land ambulance services and contributions to the local health unit.

Social and Family Services

The social and family services consist of general assistance to inhabitants, homes for the aged and child care services for the County.

Social Housing

The social housing services provides affordable housing to qualified inhabitants of the County.

Economic Development, Tourism and Forest

The function includes economic development and tourism operations and maintenance of the County forests.

18. SOCIAL HOUSING

The Northumberland County Housing Corporation was incorporated under Part III of The Ontario Business Corporations Act in response to the Province's overall initiative to devolve Social Housing to local municipalities. The Corporation currently provides subsidized housing to its tenants and their families.

As the Service Manager, the County is now the sole shareholder of the Corporation.

On January 1, 2001 the Ontario Housing Corporation transferred 14 properties and certain head office assets to the Corporation. The properties transferred carried the following restriction:

“The properties cannot be transferred or mortgaged or otherwise encumbered, developed or redeveloped or disposed of by any person without prior consent of the Minister of Municipal Affairs and Housing.”

19. COMPARATIVE FIGURES

Certain comparative figures were restated, where required, to conform with the current year presentation.

20. SUBSEQUENT EVENTS

Subsequent to December 31, 2019, the COVID-19 outbreak was declared a pandemic by the World Health Organization and has had a significant financial, market and social impact.

At the time of approval of these consolidated financial statements, the County has experienced the following indicators of financial implications and undertaken the following activities in relation to the COVID-19 pandemic:

- Permitting a deferral of lower-tier municipal levy payments waiving any interest charges
- Additional costs for enhanced facility cleaning and acquisition of personal protective equipment
- Additional labour costs for front line workers
- Temporary closure of the Ontario Agri-food Venture Centre
- Temporarily closed all facilities for walk-in access
- Expected decline in investment income
- Working from home requirements have been setup for those able to do so
- Waived bag tag fees for first weekly bag of waste per household for April and May 2020
- Some employees have been laid off and some hirings have been deferred
- Reduced revenues from Provincial Offences Act charges

The County plans to mitigate any additional operating costs with committed Provincial government funding, costs savings in other budget items and tight controls over the operating expenses.

At this time these factors present uncertainty over future cash flows, may cause significant changes to the assets or liabilities and may have a significant impact on future operations. Estimates and assumptions have been made by management to try and quantify the financial effect of these activities on the 2020 County operations.

INDEPENDENT AUDITOR'S REPORT**To the Members of Council, Inhabitants and Ratepayers
of the
Corporation of the County of Northumberland***Qualified Opinion*

We have audited the financial statements of the Trust Funds of the Corporation of the County of Northumberland (the Trust Funds), which comprise the statement of financial position as at December 31, 2019, the statement of continuity for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion section of our report, the accompanying financial statements present fairly, in all material respects, the financial position of the Trust Funds as at December 31, 2019, and the continuity of the Trust Funds for the year then ended in accordance with Canadian Public Sector Accounting Standards.

Basis for Qualified Opinion

In common with many municipal trust funds, the completeness of the revenue derived from residents is not susceptible to satisfactory audit verification. Accordingly, our verification of these revenues was limited to the amounts recorded in the records of the Trust Funds and we were not able to determine whether any adjustments might be necessary to resident receipts, assets and fund balances at the end of the year.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Trust Funds in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian Public Sector Accounting Standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Trust Funds' ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Trust Funds or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Trust Funds' financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Trust Funds' internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Trust Funds' ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Trust Funds to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**TRUST FUNDS
NOTES TO THE FINANCIAL STATEMENTS
For the Year Ended December 31, 2019**

1. PURPOSE OF TRUST FUNDS

The County is required, under Section 241 of Ontario Regulation 79/10 as prescribed by the Long-Term Care Homes Act, 2007, to maintain a trust fund to manage the funds of the residents of the County's home for the aged.

The Blacklock bequest was created by a donation and is for the use of the County's Long Term Care Home called the Golden Plough Lodge.

2. SIGNIFICANT ACCOUNTING POLICIES

These financial statements have been prepared in accordance with the standards in the Chartered Professional Accountants Canada Public Sector Accounting (PSA) Handbook.

(a) Basis of Accounting

Revenue and expenses are reported on the accrual basis of accounting which recognizes revenues as they become available and measurable; expenses are recognized as they are incurred and measurable as a result of receipt of goods or services and the creation of a legal obligation to pay.

(b) Use of Estimates

The preparation of financial statements in conformity with Canadian generally accepted accounting principles requires management to make estimates and assumptions. These estimates and assumptions affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the period and are based on the County's best information and judgment. Actual results could differ from these estimates.

3. INVESTMENT

The investment is recorded at cost and has been invested in a Renaissance high interest savings account SR F (5001) with CIBC Wood Gundy.

INDEPENDENT AUDITOR'S REPORT**To the Members of the Northumberland County Housing Corporation, the Members of Council, Inhabitants and Ratepayers of the Corporation of the County of Northumberland***Opinion*

We have audited the financial statements of the Northumberland County Housing Corporation of the Corporation of the County of Northumberland (the Corporation), which comprise the statement of financial position as at December 31, 2019, the statements of operations and accumulated surplus, change in net financial assets and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Corporation as at December 31, 2019, and the results of its operations and cash flows for the year then ended in accordance with Canadian Public Sector Accounting Standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Corporation in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

**NORTHUMBERLAND COUNTY HOUSING CORPORATION
NOTES TO THE FINANCIAL STATEMENTS
For the Year Ended December 31, 2019**

1. SIGNIFICANT ACCOUNTING POLICIES

These financial statements have been prepared in accordance with the standards in the Chartered Professional Accountants Canada Public Sector Accounting (PSA) Handbook. Significant aspects of the accounting policies adopted by the Corporation are as follows:

(a) Recognition of Revenue and Expenses

Revenue and expenses are reported on the accrual basis of accounting. The accrual basis of accounting recognizes revenue in the period in which the transactions of events occurred that give rise to the revenue; expenses are recognized in the period the goods or services are acquired and a legal liability is incurred or transfers are due.

Government funding is recognized in the financial statements as revenues in the period in which events giving rise to the transfers occur, providing the transfers are authorized, any eligibility criteria have been met, and reasonable estimates of the amounts can be made.

Rents are recognized as revenue in the period earned.

(b) Use of Estimates

The preparation of financial statements in conformity with Canadian generally accepted accounting principles requires management to make estimates and assumptions. These estimates and assumptions affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the period and are based on the Corporation's best information and judgment. Actual results could differ from these estimates.

Certain items recognized in the financial statements are subject to measurement uncertainty. The recognized amounts of such items are based on the Corporation's best information and judgment. By their nature, these estimates are subject to measurement uncertainty and the effect on the financial statements of changes in such estimates in future periods could be significant. The Corporation's significant estimates include:

- The amounts recorded for amortization and opening costs of tangible capital assets are based on estimates of useful life, residual values and valuation rates.
- The amount recorded as allowance for doubtful accounts receivable is based on management's estimate of future payments on receivable account balances.
- Allocation of the County's administrative internal chargebacks.

(c) Tangible Capital Assets

Tangible capital assets are recorded at cost which includes all amounts that are directly attributable to acquisition, construction, development or betterment of the asset. The cost, less residual value, if any, of tangible capital assets is amortized on a straight-line basis, over the expected useful life of the asset, as follows:

Land improvements	10 years
Buildings	50 years
Equipment	5 to 20 years

Tangible capital assets received as contributions are recorded at their fair value at the date of receipt and are also recorded as revenue.

**NORTHUMBERLAND COUNTY HOUSING CORPORATION
NOTES TO THE FINANCIAL STATEMENTS
For the Year Ended December 31, 2019**

1. SIGNIFICANT ACCOUNTING POLICIES, continued

(d) Deferred Revenue

Deferred revenue represents grants, user charges and fees which have been collected but for which the related services have yet to be performed. These amounts will be recognized as revenues in the fiscal year the services are performed.

(e) Non-Financial Assets

Tangible capital assets and other non-financial assets are accounted for as assets by the Corporation because they can be used to provide services in future periods. These assets do not normally provide resources to discharge the liabilities of the Corporation unless they are sold.

(f) Reserves and Reserve Funds

Certain amounts, as approved by the Corporation, are set aside in reserves and reserve funds for future operating and capital purposes. Transfers to and/or from reserves and reserve funds are an adjustment to the respective fund when approved.

(g) Related Party Transactions

The Northumberland County Housing Corporation is a subsidiary of the County of Northumberland and is consolidated with the County's financial statements.

Allocated costs and recovery of costs are measured at the exchange amount, which is the amount of consideration established and agreed to by the related parties.

Unallocated costs are measured at the carrying amount, which is the amount recorded in the records of the County.

2. SUBSEQUENT EVENT

On March 11, 2020, the World Health Organization categorized COVID-19 as a pandemic. The potential economic effects within the Corporation's environment and in the global markets, possible disruption in supply chains, and measures being introduced at various levels of government to curtail the spread of the virus (such as travel restrictions, closures of non-essential municipal and private operations, imposition of quarantines and social distancing) could have a material impact on the Corporation's operations. The extent of the impact of this outbreak and related containment measures on the Corporation's operations cannot be reliably estimated at this time.

3. COMPARATIVE FIGURES

Comparative figures have not been presented as the 2018 amounts were not segregated in the County records in a similar format as the 2019 figures. The additional detail of the 2019 financial information is a result of the Corporation and Board of Directors becoming active again during 2018. Prior to 2019, the financial activities of the Corporation were presented as part of the consolidated financial statements of the County of Northumberland and separate financial statements for the Corporation were not prepared.

**NORTHUMBERLAND COUNTY HOUSING CORPORATION
NOTES TO THE FINANCIAL STATEMENTS
For the Year Ended December 31, 2019**

6. BUDGET FIGURES

The operating budget, approved by the Corporation, for 2019 is reflected on the Statement of Operations and Accumulated Surplus and the Statement of Change in Net Financial Assets. The budgets established for capital investment in tangible capital assets are on a project-oriented basis, the costs of which may be carried out over one or more years and, therefore, may not be comparable with current year's actual expenditure amounts. Budget figures have been reclassified for the purposes of these financial statements to comply with PSA reporting requirements. Budget figures are not subject to audit.

7. RELATED PARTY TRANSACTIONS

During the year, the Corporation entered into transactions with the County of Northumberland.

As part of the budgeting process, the County approves a contribution to the Corporation which is identified on the Statement of Operations and Accumulated Surplus.

Details of the related party expense transactions are as follows:

	2019
	\$
<hr/>	
Allocated costs:	
Internal chargebacks - allocated administrative service	48,740
Internal chargebacks - allocated maintenance services	605,055
	<hr/>
	653,795

In addition, as the Board has no employees, the County's Social Housing staff spend time on the Corporation's activities which is not currently included in the internal chargebacks calculation. As such this staff cost as well as related human resources and information technology services for those staff have been provided to the Corporation at no cost.

All balances with the County of Northumberland have been identified on the Statement of Financial Position. Due from (to) balances are unsecured, without interest and have no terms of repayment.
