

Orange Zone

Intermediate measures: Stronger actions, restrictions and enforcement while avoiding closures.

Always stay home if you have symptoms, physically distance by staying two metres apart from people you don't live with, wear a mask or face covering in indoor public spaces and avoid non-essential travel.

Gatherings and close contact

Limit close contact to your household (the people you live with) and stay at least 2 metres apart from everyone else.

If you live alone, you can have close contact with only one other household.

Events and social gatherings in private homes, backyards or parks (for example, barbecues):

- Indoors: 10 people
- Outside: 25 people

Organized public events and gatherings in staffed businesses and facilities (for example, event spaces):

- Indoors: 50 people
- Outside: 100 people

Religious, wedding and funeral services:

- Indoors: 30% capacity
 - Outside: 100 people
-

Rules for all businesses

All open businesses must:

- screen employees (use the [COVID-19 COVID 19 Screening Tool for Workplaces](#))
 - post signs at all entrances informing people how to screen themselves for COVID-19 COVID 19 before entry
 - limit capacity so guests can stay at least 2 metres apart
 - make sure anyone indoors wears a mask or face covering, including workers who have to come within 2 metres of anyone else (with some [exceptions](#))
 - make sure workers use personal protective equipment (PPE) that protects the eyes, nose and mouth when they must come within 2 metres of anyone who is not wearing a mask or face covering or separated by plexiglass
 - clean and disinfect often-touched surfaces, such as equipment, washrooms, locker rooms, change rooms and showers frequently
 - manage line ups to make sure customers are at least two metres apart wearing face coverings or masks
 - create a [safety plan](#), post it in a place where workers and patrons will see it and have it available upon request (for example, to inspectors or law enforcement officers)
-
