Whereas the Concert Hall at Victoria Hall has been identified as one of the key creative assets in the Town of Cobourg's Cultural Master Plan

And whereas Cobourg Council acknowledges that COVID-19 will continue to impose limitations on events, productions and public gatherings in 2021

And whereas Cobourg Council understands the importance for the Town to reimagine its role in and support of the arts during the pandemic

Be it resolved that Cobourg Council direct staff to reopen the Concert Hall in 2021 when public health measurements determine it safe to do so

And further that the Concert Hall, once safely reopened, operates on a cost-recovery basis with all staffing and production costs being built into the rental fees

And further that Cobourg Council directs staff to encourage any prospective Concert Hall bookings to open air facilities (E.g. Victoria Park) when possible.
