Aliyyah Phady Home [REDACTED]

Group/Organization/Business Delegation Represents (if applicable):

**2. MEETING SELECTION**

I wish to appear before:

Committee of the Whole     Regular Council     Advisory Committee or Local Board

If appearing before an Advisory Committee or Local Board please specify:  
Press to Select a Committee of Board

Meeting Date Requested:  
June 20 2022

**3. DELEGATION REQUEST**

**General Nature/Purpose of the Delegation:**  
(Clearly state the nature of the business to be discussed & provide a general summary of the information to be presented)

To approach City Council regarding a violation of city bylaw on my property located at 304 Tweed street Cobourg, due to keeping miniature subspecies of chickens called Miniature Bantam. I own 3 of them, they are aprox 1 pound each.They are of extreme old age. Currently they are nearly 7 years old and their lifespan is aprox 7 years. It is extremely hard to rehome these type of miniature Bantam chickens,due to their friendly nature they would need seperate housing from other livestock to keep them from being pecked to death, and I feel it would put undue strain and hardship on these already old and frail birds, I have owned them their entire life and want nothing other then to see them to their end. I am presenting letters from neighbors 2 houses down on both sides of my property in support of the birds, Your time and consideration is greatly appreciated

LEGISLATIVE SERVICES DEPARTMENT | VICTORIA HALL, 55 KING ST W, COBOURG, ON K9A 2M2

**Recommendation to Council/Committee/Board:**  
(Please indicate below what action you would like the Town to take with respect to the above-noted subject matter)

I'm hoping to get an exemption or exception or variance to the by law for the rest of their lifespan, Currently they are nearly 7 years old and their lifespan is aprox 7 years, I'm only asking for a year or till they pass to keep them in my possession on my property located at 304 Tweed St Cobourg, I will not be replacing them or keeping any other species of chicken after they pass.
